AGRIBUSINESS TRAINING - KUNTAYA

In our branch at Kuntaya we offer four months courses in HORTICULTURE, POULTRY and SMALL RUMINANTS. Starting date is March 2022. The following subjects are part of the course:

- Practical
- Theory
- Mathematics
- English Communication
- Information Technology
- Entrepreneurship training
- Career Guidance / Enter the Labour Market Training/Life Skills training.

Insight Training Centre, Kuntaya annex, is currently supported by the Tekki Fii project led by IMVF and Funded by the European Union. No training fees are requested to students starting March 2022.

REQUIREMENTS

- Gambians between 15 – 35 years, who are seriously interested
- Priority will be given to youths with Grade 9 or Grade 12 Certificate
- Being able to have lodging in or nearby Kuntaya
- High commitment to complete the 6 months training programme.

Returnees, disabled people and female candidates are highly encouraged to apply.

WHAT WE OFFER

The training will prepare the students for being self-employed or employed in agriculture.

Lessons will be given according to a time schedule. Examinations will be held in June 2022. If results, including attendance, are positive, you will receive an Insight Certificate.

After training you will be sent on a 2 months Industrial Placement (July, August) at a farm. In September 2022 a practical assessment will be held by NAQAA. Those who pass will receive an internationally recognized certificate.

A monthly stipend will be given during the 4 months intensive training to those who attend regular. Students will be guided to become a member of the Gambian Teachers Credit Union and advised to start saving monthly which will leave a considerable amount at the end of the training/industrial placement. They can then take a loan of 3 times as much as what they saved.

Project lead

WHAT WE EXPECT

Weekly students need to attend 8 hours practical and 1 hour theory *plus* lessons in English for beginners, Mathematics for beginners, Basic IT and Entrepreneurships as to strengthen their employability.

Candidates need to come to school/attachment place for at least 4 days per week. Furthermore:

- candidates need to preferably find lodging in Kuntaya or one of the nearby villages;
- bicycles are for rent for those who live far away from the school.

SELECTION PROCEDURE

- Candidates can download an application form from www.insight.gm, collect a form from Insight in Kuntaya or Sinchu Alhagie or from the Regional Youth Office in Kerewan.
- At the above mentioned locations forms can be submitted. **Deadline is 9th March, 4 PM.**
- Applicants need to attach 2 passport size pictures, a copy of Birth Certificate or ID Card and a copy of School results (preferably copy of grade 9 or grade 12 certificate).
- All candidates will be interviewed on the 11th March in ITC Kuntaya, North Bank Road.
- During the interview original ID/birth certificate and school results need to be shown.

EXPECTED BEHAVIOUR

Lessons can be given between 9 AM and 7 PM, every day of the week, except Sunday. Students are expected to be present at all lessons. We expect students to follow our rules and regulations.

In case of misbehaviour we will call parents and might consider disciplinary measures.

Students Rules and Regulations

The students who are accepted in this centre are carefully selected and privileged. They should be proud of that fact. The reputation must be upheld. Students must set a good example in behaviour and personal appearance and are expected to conduct themselves sensibly and with decorum – both in and out of the centre, to portray themselves as respectable citizens. We apply a Code of Conduct and expect students to obey staff and lecturers.

Starting times of classes is communicated in timetables per course. **Regular attendance and punctuality are of paramount importance.** Permission to examinations depend on satisfaction of attendance and performance. In case of illness or emergencies the lecturer should be informed about the reason of absence. Absenteeism will be subjected to suspension or expulsion.

Support from parents / guardians

We expect that parents / guardians will support your choice to be trained in Agriculture. We request that you ask them to read this information or read it aloud for them and get their approval, before you submit your application.
